

# science museum OPEN DAY

14th & 15th  
**OCTOBER**  
10am-4pm

FREE ENTRY – donate on the day to help fund future events like this!

## MICROSCOPE FUN (Sunday only!)

Biologist and teacher Grenham Ireland will demonstrate under the microscope all things related to seaweed. What *will* we find?

## HOLD LIVE INSECTS AND SPIDERS!

Mark Spencer, Entomologist, with helpers Keith Pattenotte, Steve Limburn and Nick Butte, will be showing live insects and spiders.

**MAMMAL DISPLAY**  
**LIGHT REFRESHMENTS**  
**KIDS QUIZ TRAILS**

## BRING BEACH PLASTIC!

In keeping with the weekend's Bournemouth Arts Festival by the Sea theme, we're going to build a 'plastic man' sculpture

*Anyone can join in: simply pick up some plastic rubbish from the beach and bring it along on the day. Help the environment and help us to produce a fabulous work of art at the same time!*

## KIDS MARITIME CREATURE DRESSING-UP AND 'SEAWEED SCIENCE' ACTIVITIES

## ASTRONOMY ACTIVITY: SUN SCOPE IN THE GARDEN (1 day only, weather permitting!)

## Flying Cockroach display!

Our Young Explorers Co-ordinator Steve Limburn just loves to entertain our visitors! And how!

What's **YOUR** special interest?

Archaeology • Astronomy • Insects  
Gardening • Geology • Geography  
Ancient Egypt • Minerals • Fossils  
Birds • Animals • General Science...

It's ALL here at your local  
science society's museum!
