2:30 p.m. Saturday 27<sup>th</sup> April  
**“Mayan Astronomy”**  
A talk by Mark Gibbons

Mayan Dresden Codex

Mayan Calendar

We know quite a lot about Mayan astronomy, and it was a very different culture from our way of looking at it. As we have come to expect, Mark is giving a talk on an arcane subject!

Mark comes from the Cotswold Astronomical Society. He has been to BNSS a few times, and is a very welcome speaker.
